

For companies with  
people in them™

# Do the math.

It's smarter to lease your smartphones.

Either you buy 10  
Samsung Galaxy S®6  
from Verizon and spend  
\$12,957 over 2 years.\*

Or you lease them from  
Sprint Business and **save up to  
\$5,397** over the same period  
compared to Verizon.\*\*

\*\*Other pricing options available with different savings. Comparison based on device leasing to installment purchase devices. Does not include optional Sprint device purchase at lease-end.

Device leasing from Sprint Business gives your people the devices they want in a simple, flexible, incredibly affordable way.

- Reduce your up-front device costs
- Drive down the cost of your mobile network services
- Turn big, fat lumps of capital into predictable operating expenses
- And get the latest tech

Do the math. You should never buy a device again.
