

Sprint Solutions for Credit Unions.

Discover and customize solution combinations to optimize business operations.

Member Experience Solutions

Digital Signage

Implement interactive digital signage to:

- Display new services, products and loan information
- Reduce long wait times with touchscreen kiosks to handle simple transactions
- Calculate interest rates for mortgage or loan payments on touchscreen kiosks

Wireless ATM

Increase payment process flexibility to:

- Reduce setup time to streamline compliance with security standards
- Enable additional communication with your members
- Set up for temporary events

Tablet Solutions

Equip your dynamic workforce with compact, wireless tablets offering built-in connections to:

- Create a more conversational member experience
- Utilize applications to enhance work productivity
- Multi-task while working remotely

Sprint offers credit union's solutions that help solve key financial industry challenges like:

- Effective resource management
- Secured information
- Member satisfaction
- Differentiating among competitors

Business Continuity Solutions

Failover and Backup

Sprint delivers networking and security services for small businesses to:

- Keep business-critical needs running with a backup connection if the primary broadband service goes down
- Offer cloud-based management for network configuration and visibility with 24/7 technical phone support
- Eliminate dependence on third-party networks by utilizing the public network
- Provide bank-grade security for your entire network

Cloud Enablement Solutions

Google Apps for Work for Credit Union Members

Google Apps for Work empowers your people with business tools that simplify collaboration so they can work together virtually wherever they are on their favorite mobile devices. That means easier access to familiar business tools like:

- Professional-grade Gmail
- Calendar
- Drive
- Hangouts
- Docs
- Sheets
- Slides
- Sites
- Forms

Add comprehensive, end-to-end Carefree Cloud service and support from Sprint for a smooth migration into simplified business collaboration.

Plus, get a

15%

on select regularly priced Sprint monthly service.
